Re: Budget Brief - 2016-2017

The attached information is your packet of materials for the 2016-2017 Budget. The Council will be voting on the Final Budget and Mill Levy at the September 6, 2016 Regular City Council Meeting. This “Budget Brief” contains a summary of the Administrative, Department Heads & Mayor’s Office work over the last several months.

The proposed budget maintains the current City levy of \$0.318 plus the Airport Authority Levy of \$.0350, for a total Levy of \$0.3530 per \$100 of property value.

MILL LEVY & VALUATION HISTORY:

The following is a recap of the Mill Levy and Valuations from the previous budget years:

<u>YEAR</u>	<u>MILL LEVY</u>	<u>VALUATION</u>	<u>YEAR</u>	<u>MILL LEVY</u>	<u>VALUATION</u>

2006/07	0.4374	331M	1995/96	0.6648	154M

VALUATION DETERMINATION FACTORS:

The Mill Levy for the upcoming budget year beginning October 1st is calculated using an Actual Valuation factor of \$450 Million. That is a \$7M increase from last fiscal year. Mill Levies are based per \$100 in a property’s value. To determine the property tax paid by a citizen that owns a house that is assessed at \$200,000 you would divide the \$200,000 by \$100 giving you \$2,000. Then you would take the \$2,000 times the mill levy of \$0.353 giving you a property tax payment to the City and Airport Authority of \$706.00.

FULL-TIME EMPLOYEE COUNTS:

The number of FTE’s for the City of Seward was reduced in 2013-2014 Budget year. In fiscal year 2014/15, we added the Aging Services Commission Assistant as a City employee, and have kept the Accountant/Budget Administrator position in the budget. In fiscal year 2015-16 we added two full time employees at the Seward Community Golf Course. We are still short one police officer position that we did have filled 2 years ago as well as the additional officer that was approved by the Council in the 2015-16 budget.

<u>CITY</u>	<u>2008/09</u>	<u>2009/10</u>	<u>2010/11</u>	<u>2011/12</u>	<u>2012/13</u>	<u>2013/14</u>	<u>2014/15</u>	<u>2015-16</u>
Full-Time	51	51	51	51	51	50	52	52

RESTRICTED BUDGET AUTHORITY:

The 2013-2014 budget includes the 2.5% allowable increase in restricted funds. In accordance with State Law, and at the recommendation of the State Auditor's Office, Administration is recommending that the Council authorize an additional 1% in restricted budget authority to provide a buffer against the possibility of future financial shortfalls. The additional 1% does not increase the property tax levy unless the Council authorizes its' use. Historically, the Council has authorized the additional 1%.

TOTAL LEVY LIMIT:

Cities of the First Class are limited to a maximum levy of \$0.45 per \$100 of property valuation, with an additional \$0.05 cents to fund Interlocal agreements. Property tax levies for bonds are not included in this limit. The levy authority granted to the Airport Authority affects this levy limit. At \$0.35 mill levy, the City of Seward is well below the maximum mill levy provided by the State of Nebraska. According to a survey of 30 First Class Cities in Nebraska, Seward was ranked 6th lowest mill levy not counting the Airport mill levy. When you add in the Airport, we are ranked 9th lowest.

COMMUNITY GROWTH:

During the current fiscal year, the City of Seward has issued 27 building permits for new construction both residential and commercial totaling \$4.5 million in valuation. Last year for the full fiscal year, the City issued 17 permits totaling \$4.264 million. We are currently working with several developers to develop more residential housing lots as we are close to being out of existing lot stock.

SUMMARY:

This has been a difficult Budget Session because of past budgeting practices and the negative cash reserves available in the General Fund. To rectify this situation, we have made sure all items that will be paid for with cash are budgeted in the Operation and Maintenance area of the each department or shown as a fixed asset, not being shown as being paid for with bonds. The only items shown as a Capital Improvement are items we are going to issue municipal bonds to pay for the improvement. In order to have cash reserves in the General Fund, we recommended making a cash transfer from the Debt Service Fund as well as the Electric Department. We are also recommending raising the occupation tax charged to the Electric Department from 5% to 10% of revenue. In comparison, NPPD returns 12% of revenue back to their retail towns. Bringing in Terry Galloway of Almquist, Maltzahn, Galloway & Luth, CPA's, as our budget consultant was invaluable to us. His experience and expertise helped us make sure we were budgeting properly and getting cash reserves back into our General Fund. That being said, the Mayor, Department Heads, and especially Bonnie Otte, have done an excellent job preparing a Budget that doesn't increase taxes and puts cash reserves back into the General Fund. Everyone has taken ownership of their individual budgets and I believe the budget process will continue to improve each year. Also, having an updated cash statement on a regular basis will allow the staff and City Council to better understand the true financial condition of the City. We will continue to look at ways to make improvements to the budget and City operations, in order to make sure the City of Seward maintains a fiscally responsible budget and the necessary cash reserves to meet our current and future obligations while being able to make the improvements to our infrastructure that are desperately needed.
